RE: Improvements to Tamara Drive

NOTICE OF CONSTRUCTION

Dear Resident:

P.M. Construction Corp. will be performing construction activities on or about Tuesday, September 3, 2024. Work hours will be from 7:30am to 4:00pm. All work is **weather permitting**.

Work will consist of: milling and paving, upgrading inlets, curb replacement, and replacement of existing water mains and fire hydrants. During construction, roadways will remain open for local traffic, where possible, and emergency vehicles will have access at all times.

Residents are advised that street parking within the project limits will be prohibited.

Additional notification as to the potential loss of water service during construction will be provided in advance. Also, notification of when access to your driveway will be limited will be provided by our field crews.

Please plan accordingly. We greatly appreciate your assistance and cooperation.

Sincerely,
P.M. Construction Corp.
