Dear Roosevelt Environmental Commission,

Congratulations again on attaining certification in the Sustainable Jersey program for 2017. We are sorry that you were unable to attend the Sustainable Jersey Luncheon November 14 to be recognized for this achievement. Enclosed please find your official certification plaque, along with pins for your Green Team members.

Thank you again for your community's participation and we look forward to working with you on your certification efforts in the future.

Sincerely,

Randy Solomon, Co-Director
